

# HPE ProLiant MicroServer ClearOS Bundle Cashback Offer

HPE ProLiant MicroServer Gen10—the compact server to make your own—is now even easier to sell

## HPE MicroServer Gen10

- **Entry-level**—Ideal for small office and home office (SOHO) environments
- **Unobtrusive**—Compact and quiet
- **Complete**—Comes with ClearOS and marketplace with over 100 applications

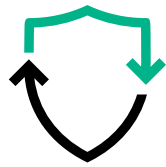

## ClearOS operating system

- **Simple**—Intuitive, web-based user interface
- **Secure**—Trusted and proven security apps and functions
- **Affordable**—Pay only for the apps required

**ITPro's five-star editor's choice<sup>1</sup>**

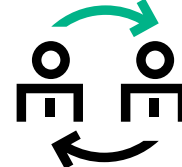

## HPE MicroServer Gen10 and ClearOS give SOHOs what they need to succeed

**Protect the business**  
with low-cost apps for unified threat management, network protection, and storage and backup

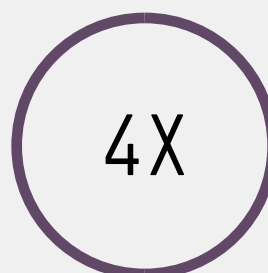

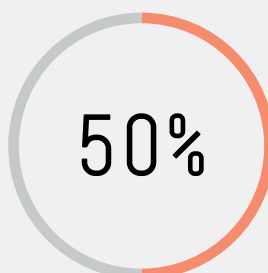

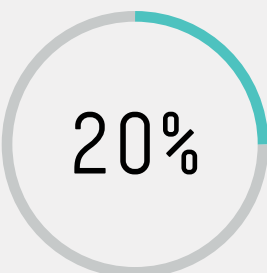

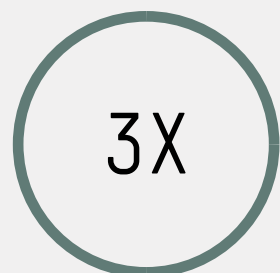

**Share more easily**  
with streaming media and private cloud/NAS server applications

**Encourage productivity**  
with content-filtering apps that keep employees on task

## Customer results<sup>2</sup>
